Mobile Cart Delivery & Mobile Cart Placement

As part of the new contract, Penn Waste will be delivering 96 gallon mobile carts for trash to residents in Early October 2018. Each customer will receive one green mobile cart with a black lid for trash collection.

Please use your mobile cart as soon as you receive it. Although the use of the new mobile carts is not mandatory, we ask that you use the mobile cart for 60 days before contacting Penn Waste to have it removed. We will not be removing mobile carts until the 60 day trial period is complete.

If you have any questions regarding your new mobile carts, please contact us at 717-767-4456

Please be advised that all mobile carts should be placed behind the curb. There should be nothing placed in the roadway that would impede or delay the removal of snow or ice from the road. The garbage truck arm has the capability to reach past the curb in order to pick up your cans.

Here are some tips to ensure a smooth collection process:

- Set mobile cart out by 6:00 AM.
- Place mobile cart with the lid hinge and wheels pointing toward your residence.
- Do not place cart in the roadway.
- Do not block walkways with carts.
- Place carts at least THREE FEET APART from each other and mail-boxes, fire hydrants, low hanging trees or shrubs, parked cars, or utility poles - so trucks can easily access the cart. (See Diagram Below)
