COST: \$65.00 Residents / \$70.00 Non-Residents

Includes light breakfast, beverage on return trip and tip for bus driver

THEME: The 2010 Philadelphia Flower Show will treat visitors to an exotic journey with the theme, **Passport to the World.**

The show will transport visitors to dozens of destinations covering the globe. Among the most impressive will be India, a land of colors, textures, scents and sounds that will come to life amid a shower of flowers in an Indian wedding scene. The Netherlands, with its rainbow of blooms, will be portrayed in a floating flower market filled with over 100,000 blooms. The natural wonders of South Africa will be captured in flowers that depict the vivid colors and patterns of costumes of the Zulu. The Amazon jungle of Brazil will unfold in an otherworldly canopy of sparkling waterfalls, tropical flora and exotic wildlife. Singapore, the “Pearl of Asia,” will be presented in a luminescent tribute to the orchid, and New Zealand, a rugged land of beauty, will explode with color and imagination inspired by the wild flora and traditions of the native Maori.

Active Adult Activities

Northeastern Senior Center serves the senior residents of a number of municipalities, including Manchester Township. The Senior Center is located at 131 Center Street, Mount Wolf. Call 266-1400 for information.

Northeastern Senior Center is actively seeking volunteers for various activities. Please call 266-1400 if interested.

Scrapbooking Crop Club

WHEN: Saturday - October 10, 2009

If you are a person with a disability and wish to attend any township meetings, please contact the office at least three (3) business days prior to discuss how your needs may best be served.

**Remember to turn your
clocks back- Daylight
Savings time ends
Sunday - November 1st 2009**

A Note from the Public Works Department

In order to provide you with services such as street sweeping, snow plowing, anti-skid material application trash collection, emergency protection such as fire, medical and police, it is important to keep all roads, streets, sanitary sewer and storm water easements clear of trees and shrubbery.

Trees and shrubs must be trimmed in back of the paved cartway of the street, and branches **cannot hang any lower than 15 feet** above the road surface.

Tips from the Tax Collector

It's tax time again and I'd like to remind you to **please write a contact phone number on your check!** Unlisted phone numbers make it difficult to reach you if there is a question or problem with your check.

Please note that for your protection, we are not able to change the name printed on your tax notice. The name on the tax bill comes from the York County deed database. If you'd like to change your name due to marriage, etc. it must be changed at the Recorder of Deeds office. The only exception is we can remove a deceased spouse's name from the bill at the surviving spouses' request.

Many of you have not registered your homes in the Homestead / Farmstead Tax rebate program which can reduce your school taxes. Forms for the program will be mailed to all unapproved residential parcels by the Central York School District this fall. Forms are also available on the district website at www.cysd.k12.pa.us or the York County website at www.york-county.org.

Please call the tax office at 767-6689 with any questions.

Jean Stambaugh, Manchester Township Tax Collector

Tax Collector – Window Hours

Window hours are **Tuesday, Wednesday, Thursday, 12:00 – 3:00 pm**, except for holidays.

As always, a secure night slot on the outside of the Township building is available for payments when the window is closed.

Please Recycle

The York County Solid Waste Authority is having their 17th annual phone book recycling program. Residents and businesses can recycle their **phonebooks, magazines and catalogs** now through October 29, 2009.

Flu Shots

Offered for Township Residents

Drive-thru flu shot clinic

Sunday – October 25, 2009

10am – 2pm

The York County Area Agency on Aging (YCAAA), in partnership with Wellspan Health, York City Bureau of Health, and Manchester Township Department of Fire Services will hold a drive-thru flu shot clinic at the Manchester Township Municipal Services Complex, 3200 Farmtrail Road, York, PA 17406.

The clinic will offer flu shots to York County residents 9 years of age or older. Pneumonia shots will also be offered to eligible adults.

During the “Roll In – Roll Up – Roll Out” Clinic, participants will roll down the car window, complete the necessary paperwork, roll up their sleeve, and receive their vaccine without getting out of their vehicle.

Pre-registration can be downloaded from the “News and Events”: page of YCAAA’s website, www.ycaaa.org. There is a charge for the flu shot. The fee amount, along with additional information can be obtained by calling the information line at 771-9001.

Those with Medicare Part B and some Medicare Advantage Plans will have the cost of the shot covered by their insurance. The Medicare card or Medicare Advantage card must be shown at the clinic. The following insurances will NOT be accepted at the clinics: Employee Health Insurance, Medigap or Supplemental Insurance, and Private Health Insurance. Individuals with this insurance will be asked to pay the fee and get reimbursed by the covered health insurance.

*Note: These shots are **NOT** for the H1N1 virus.*

Swine Flu

For information and updates on the status of the disease visit:

www.H1N1inPA.com

or call the Department of Health at
1-877-PA-HEALTH
(1-877-724-3258)

ADA NOTICE

If you are a person with a disability and wish to attend any township meetings, please contact the office at least three (3) business days prior to discuss how your needs may be served.

MS4

Municipal Separate Storm Sewer System

PLEASE DO NOT POLLUTE

FOR ADDITIONAL INFORMATION, VISIT:
www.epa.gov/npdes

Because stormwater runoff is generated from dispersed land surfaces—pavements, yards, driveways, and roofs—efforts to control stormwater pollution must consider individual, household, and public behaviors and activities that can generate pollution from these surfaces. These common individual behaviors have the potential to generate stormwater pollution:

- littering
- disposing of trash and recyclables
- disposing of pet-waste
- applying lawn-chemicals
- washing cars
- changing motor-oil on impervious driveways
- household behaviors like disposing leftover paint and household chemicals

Reminder!!!

Do not place trash receptacles at your collection point more than 24 hours before the scheduled collection. Receptacles placed more than 24 hours before **WOULD BE IN VIOLATION** of Section 20-105.1 of the Manchester Township Code of Ordinances.

Martin Library Satellite – Reminder

Books may be dropped off for return to Martin Library or ordered from Martin Library to be picked up Monday thru Friday between 8am – 4 pm at the

Manchester Township Office
3200 Farmtrail Road

Leaves don't belong in the stormdrain

When it rains, it drains! Clean up leaves from the stormdrain at home, work or play.

For more information about what you can do to help keep clean water clean and save the Bay, contact the Watershed Alliance of York, Inc.

www.watershedyork.org

HELP-Buffers

The Codorus Creek Watershed Association will cost-share (up to 100%) with landowners of small, headwater streams to plant streamside riparian buffers. Streamside vegetative buffers help streams by filtering runoff pollutants, remove nutrients from groundwater, help shade and keep water cool for trout, and provide valuable wildlife habitat, in-stream and out. For more information about how to enroll, please contact CCWA today

www.watershedyork.org

New Faces, New Places...

Garth Ericson began on June 6th as Manchester Township's Recreation Director. Mr. Ericson, a York native and graduate of Central York High School, comes to us from Robert Morris University where he obtained his bachelor's degree in Sport Management and, later, worked as the University's Director of Intramural and Club Sports.

Tim James has accepted a promotion to become the township's Assistant Township Manager. Previously, Mr. James worked as Recreation Director for Manchester Township for 10 years.

Dumping Is Illegal . . .

Since 1990, the PA CleanWays network has performed over 914 illegal dump cleanups.

If you lay every tire flat on the ground that PA CleanWays has collected, they would span from Pittsburgh to Erie and 50 miles out into Lake Erie!

For nearly two decades, the PA CleanWays grassroots network has been cleaning dumpsites and littered areas across the state of Pennsylvania. Along with its other programming, such as recycling and special collection events, PA CleanWays and its chapters and affiliates have removed over 10,580 tons of trash and recycled 2,170 tons of scrap metal from Pennsylvania's hillsides, local roads, and streams. PA CleanWays has also collected or removed 383,434 tires and 25,336 appliances. More than 353 segments of local roads, parks/pathways, and waterways have been adopted through the PA CleanWays adoption program. PA CleanWays has organized and planted more than 22,000 trees on public lands through its beautification program. In total, more than 45,000 volunteers have dedicated nearly 195,000 volunteer hours to PA CleanWays programming.

For more info please visit the following website: www.pacleanways.org

Nuisance Ordinance

In 2007, the Board of Supervisors adopted an ordinance to prohibit obstructions that create a nuisance within and adjacent to public streets. Here are some reminders of certain obstructions:

The placement of any of the following within the cartway or right-of-way of any public street within Manchester Township

Sports equipment – basketball goal, nets whether permanent or temporary
Skateboarding ramps, bicycle ramps
Unattached trailers, whether legally licensed or not
Unlicensed, un-inspected or inoperable motor vehicles
Landscaping materials

Snow - The throwing, pushing, blowing, placing or plowing of snow from private property into or onto a cartway of any street is also prohibited. Also, do not pile snow more than three feet (3') high within the clear sight triangle of any intersection of any street.

Final 2009 Yard Waste Collection

Manchester Township will be providing the FINAL Yard Waste Recycling Collection for 2009. Items will need to be placed at the curb side by 6:00 am.

Saturday- October 24, 2009

“Yard Waste” materials are defined as tree trimmings, shrubbery and any other organic landscaping vegetation, excluding grass clippings.

Materials should be packaged as follows:

- Place items in either Biodegradable Kraft bags or tied in easily handled bundles.
- Bundles should be no longer than (4) feet in length.
- Bundles should not weigh more than 30 lbs. each.
- Branches should not exceed 6 inches in diameter.

The following items should **NOT** be placed out for Yard Waste Collection:

- Grass clippings
- Leaf Waste (Note: Manchester Township provides this service)
- Dirt or Stones
- Fruits and/or Vegetables
- Any material in a Plastic Bag

Once again, Penn Waste will be performing this service. For additional information please visit their web site

www.pennwaste.com

Smoke Testing Sewer Lines

Notice

Manchester Township Public Works Department periodically conducts smoke tests of the sanitary sewer lines. Testing is conducted Monday through Friday from 7:00 a.m. to 3:30 p.m.

Smoke should not enter premises unless a leak is present. This smoke is non-toxic, non-corrosive, and will not leave a stain. If smoke enters a home, it will soon dissipate. Opening doors and windows will help. Any presence of smoke within the house should be reported to the township office at 764-4646. Avoid unnecessary exposure to the smoke. The smoke is relatively harmless, but all smoke is temporary and quickly disappears after exposure has ceased.

Mail Box Policy

Manchester Township
IS NOT RESPONSIBLE

for mailboxes damaged during snow removal since they are located in the street right-of-way

.....

Snow Removal

It's nearly that time of year again. Time to get out the snow shovel and de-icer and get ready for whatever Winter may bring. In an effort to expedite the snow removal from the street we ask that you PLEASE remove your vehicle from the street during a storm. This will enable the Public Works Department to clear the streets and get you on the way in a reasonable amount of time.

The Public Works Department has 11 trucks equipped with snow plows to take care of the township streets and state roadways as listed. We will do our best to clear your streets, so please be patient and remember we have probably worked many hours before you have to start shoveling.

Thank you - Manchester Township Public Works Department

Helpful Hint:

When shoveling out the mouth of your driveway, deposit snow to the right or "downstream." This will help to avoid the redepositing of the snow in your driveway when the plow comes to your street. Remember it is impossible to not have snow pushed into your driveway. Please do not throw the snow from your property into the street.

Rent-A-Kid

This program provides an opportunity for middle and high school students, in grades 7 through 12, to assist senior citizens in completing routine light-duty household chores, yard work, mowing lawns and shoveling snow. The goal of the Rent-A-Kid program is not only to get an important job done, but also to foster friendships between senior citizens and teenagers.

Senior citizens, age 60 and older, in need of assistance with chores can call the Rent-A-Kid coordinator who will provide names and phone numbers for teenagers in their area. It is the responsibility of the senior citizen to contact the teenager and discuss the job to be done, when it is to be done, the rate of pay for the job, and any other arrangements that need to be made. Recommended pay rate is \$5 per hour. However, depending on the type of work and the ability of the senior citizen to pay, the teenager may negotiate a more satisfactory rate of pay.

Teenagers interested in the Rent-A-Kid program should contact their school guidance counselor or call the Coordinator at YCAAA for an application at **771-9103**. Applications can also be downloaded from the website:

www.ycaaa.org

Sewer Backup Claims

Under the Pennsylvania Governmental Immunity Statue, Manchester Township has limited legal responsibility for sewer and water backups. You should contact your homeowners or commercial insurance agent to make sure you carry coverage for sewer and water backups under your homeowners or commercial property policy. Some homeowners policies do not include this coverage automatically. We recommend that you purchase this valuable coverage.

OCTOBER 4-10, 2009

IT'S FIRE
PREVENTION
WEEK

STAY FIRE SMART!

DON'T GET
BURNED

www.firepreventionweek.org

Sparky® is a trademark of NFPA

Burns

- Burn injuries result in hundreds of thousands of emergency room visits a year. Thermal burns outnumber scalds nearly two-to-one.

Cooking

- Cooking is the leading cause of home fires, accounting for 40% of reported home fires and 36% of related injuries.
- Unattended cooking is the leading cause of cooking fires.
- U.S. fire departments responded to 146,400 home structure fires involving cooking equipment in 2005. These fires caused 480 civilian fire deaths, 4,690 civilian fire injuries and \$876 million in direct property damage.
- Twelve percent of the fires occurred when something that could catch fire was too close to the equipment.

Heating

- In 2006, heating equipment was involved in an estimated 64,100 reported home structure fires, 540 civilian deaths, 1,400 civilian injuries, and \$943 million in direct property damage.
- In 2006 heating equipment fires accounted for 16% of all reported home fires (second behind cooking) and 21% of home fire deaths.
- More than half of all heating related fire deaths in 2003-2006 resulted from fires in December, January, and February.
- Space heaters result in far more fires and losses than central heating devices and have higher risks relative to usage.
- Fixed or portable space heaters were involved in 4% of the home fires and 17% of the home fire deaths.
- Most of the space heater fires were caused by the space heater being too close to things that could burn.

Smoke Alarms

- Smoke alarms play a vital role in reducing deaths and injuries from fire and have contributed to the almost 50% decrease in fire deaths since the late 1970s. Properly installed and maintained smoke alarms save lives and protect against injury and loss due to fire.
- A 2004 U.S. telephone survey found that 96% of U.S. households had at least one smoke alarm, yet in 2003-2006, no smoke alarms sounded in only half of the reported home fires.
- Almost two-thirds (63%) of reported home fire deaths in 2003-2006 resulted from fires in homes with no smoke alarms or no working smoke alarms.
- Two-thirds of the fire deaths occurred in homes with no working smoke alarms.
- In one out of every five homes equipped with at least one smoke alarm installed, not a single one was working.

When smoke alarms fail it is most often because of missing, disconnected or dead batteries. Nuisance activations were the leading cause of disabled smoke alarms.
