Sewer Arrears

Manchester Township currently has an agreement with the York Water Co. to initiate water termination for sewer customer accounts with significant arrears.

Customers are invoiced quarterly and given thirty days to pay each invoice. After 30 days a 20% penalty is added. Letters are sent to those who fall behind on their payments. Liens are also filed against the properties.

Prior to turning accounts over to the water company for termination of water service, several notices are issued and customers are urged to pay outstanding balance.

PLEASE PAY OUTSTANDING BALANCES AND AVOID THESE DRASTIC ACTIONS.

Plan Ahead for Building Permits

All construction, additions, placement of prebuilt structures (sheds, swimming pools, etc), paving, patios, fences, and decks require that a permit be obtained **BEFORE** any work can legally be started. This includes inflatable swimming pools over 18" if new or previously removed.

State law requires the township to adopt the Uniform Construction Code (UCC), better known as the "building code". The UCC allows a municipality up to 15 working days to review a permit application for residential properties and either grant or reject the permit from the time a completed application is submitted to the municipality. A completed application includes a completely filled out application form, 3 copies of a site plan for the entire lot showing all **existing and proposed** improvements on the lot (including driveways, buildings, patios, decks, and sidewalks) with all dimensions and distances to property lines and 3 copies of all documentation related to the proposed improvements. Manchester Township strives to process the permits as quickly as possible although during busy times of the year it may take the full 15 working days. **NO WORK** can be started until you have a granted permit in hand and a placard placed in a location that can be seen from the street.

Yard Waste Collection

Penn Waste will be performing this service. Please visit the website for additional information: www.pennwaste.com.

Saturday – Sept. 24, 2011

"Yard Waste" materials are defined as tree trimmings, shrubbery and any other organic landscape vegetation, **excluding grass clippings.**

- Place items in either Biodegradable Kraft bags or tied in easily handled bundles.
- Bundles should be no longer than four (4) feet in length.
- Bundles should not weigh more than 30 lbs. each.
- Branches should not exceed 6 inches in diameter.

The following items should not be placed out for Yard Waste Collection:

- Leaf Waste (Note: Manchester Township provides this service)
- Dirt or Stones
- Fruits and/or Vegetables
- Any material in a Plastic Bag

Home Delivered Meals

The Home Delivered Meals Program is designed to provide a well-balanced daily meal to homebound older adults who are unable to prepare adequate meals for themselves and have no other means for assuring healthful nutrition.

On Monday, Wednesday and Friday, a hot meal is delivered to the older adult's home. Tuesday and Thursday meals are a cold bag lunch delivered with the previous day's hot meal. The delivery of meals may occur any time between 11:00 am and 1:00 pm.

Volunteers from the local senior center deliver the meals to the older adult's home. The Northeastern Senior Center is seeking volunteers for home delivered meals, please call 266-1400 if interested. Although this is a brief contact it does provide a check on the well being of the homebound individual. The home delivered meal service is not a cost shared service.

Monetary donations can be made to the York County Area Agency on Aging.

Care managers need to complete an in-home assessment to determine eligibility for Home Delivered Meals.

Eligibility for Home Delivered Meals

To be eligible for Home Delivered Meals services an individual must be:

- A York County resident in a non-institutional setting.
- 60 years of age or older.
- Have a physical, mental or emotional disability, which prohibits the individual from leaving his/her residence on a regular basis and/or prevents them from preparing a nutritious meal.

Living alone or with someone who also meets the above criteria.

Solicitors Permits

Are required in
Manchester Township

Permits are issued by Northern York County

Regional Police Department

1445 E. Canal Road, Dover, PA 17315

If you would prefer not to have any solicitors come to your home, you must post a sign at least 3"X5" with letters no less than 1/3" in height near the main entrance of your residence. Sign must read **"NO SOLICITORS"**. Each residence must be posted; signs at entrance to developments are not permitted or enforced.

Rent-A-Kid

This program provides an opportunity for middle and high school students, in grades 7 through 12, to assist senior citizens in completing routine light-duty household chores, yard work, mowing lawns and shoveling snow. The goal of the **Rent-A-Kid** program is not only to get an important job done, but also to foster friendships between senior citizens and teenagers.

Senior citizens, age 60 and older, in need of assistance

with chores can call the Rent-A-Kid coordinator who will provide names and phone numbers for teenagers in their area. It is the responsibility of the senior citizen to contact the teenager and discuss the job to be done, when it is to be done, the rate of pay for the job, and any other arrangements that need to be made.

Recommended pay rate is \$5 per hour. However, depending on the type of work and the ability of the senior citizen to pay, the teenage may negotiate a more satisfactory rate of pay.

Teenagers interested in the Rent-A-Kid program should contact their school guidance counselor or call the Coordinator at YCAAA for an application at (717) 771-9103. Applications can also be downloaded from the website: www.ycaaa.org.

Manchester Township Manager David A. Raver Retires After 35 Years of Service

David A. Raver, who had served as the Manchester Township Manager since June 1, 1976, retired from his position on July 1, 2011. Mr. Raver was essential in the growth that Manchester Township had experienced over his 35 years. His forward thinking and direction allowed the essential services of the township; roads, sewer, fire, police, zoning, planning and recreation, to advance the quality of life we now enjoy in the township.

Dave's 35 years of service and dedication to the residents of Manchester Township is respected and appreciated. We wish Dave and his wife Debbie a healthy, relaxing retirement.

Due to the retirement of David A. Raver, the board of supervisors appointed Timothy James as township manager effective July 2, 2011.
