Motorized vehicles at township parks

Please observe Park Rule #12
when using all township parks:

The use of **MOTORIZED VEHICLES** are
PROHIBITED within Manchester Township
Recreational facilities. The term "motorized
vehicles" shall include, but not be limited to,
licensed motor vehicles (three or four wheeled),
snowmobiles and golf carts. Township vehicles
are exempt.

Slow Down....

The spring weather will bring some added dangers while
driving in residential areas. Young children are playing
outdoors, walkers, bikers, runners, and other pedestrians will
also be out in force. Are you driving too fast for conditions?

The Northern York County Regional Police Department
receives several complaints each week in regards to vehicles
exceeding the speed limit in numerous neighborhoods.
Please be mindful of your speed and the inherent dangers
while driving through the neighborhood.

The Board of Supervisors and police department jointly ask
you to please eliminate the risks inherent with speeding
vehicles by slowing down.

CENSUS 2010

"TAKE 10 for 10"

Manchester Township is urging all citizens to "take 10" minutes to complete and mail back your CENSUS 2010 form.

The results of the 2010 census will affect Manchester Township for the next 10 years. Many forms of funding are based on the "official" census figures counted each ten years and those figures are used for the ten years following the count.

**PLEASE TAKE 10 MINUTES TO COMPLETE & RETURN
YOUR 2010 CENSUS FORM**

Office Closed:

Tips from the Tax Collector

It's tax time again. I'd like to remind you to **please write a contact phone number on your check**. Unlisted phone numbers make it difficult to reach you if there is a question or problem with your check, resulting in missed rebates and late payments.

The rebate period for 2010 County/Township payments ends at midnight on April 15, 2010 as determined by state law. The tax window will be open from 9:00a.m. to 3:00p.m. on April 15th. Payments in the night slot on the morning of April 16th will be considered paid at rebate. **Please do not ask me to break the law and accept payments after the deadline.**

Please note that for your protection, we are not able to change the name printed on your tax notice. The name on the tax bill comes from the York County deed database. If you'd like to change your name due to marriage, etc. it must be changed at the Recorder of Deed's office. The only exception is removal of a deceased spouse's name from the bill at surviving spouses' request.

Please call the tax office at
767-6689 with any questions.

Jean Stambaugh
Manchester Township Tax Collector

Tax Collector – Window Hours

Window hours are **Tuesday, Wednesday, Thursday, 12:00 – 3:00 pm**, except for holidays.

As always, a secure night slot on the outside of the Township building is available for payments when the window is closed.

Street Sweeping

The Manchester Township Public Works Dept. will be performing street sweeping throughout the spring. We will try to get to all areas as expeditiously as possible.

Please be cooperative by moving all vehicles from posted streets.

Smoke Testing Sewer Lines

NOTICE – Manchester Township Public Works Department periodically conducts smoke tests of the sanitary sewer lines. Testing is conducted Monday through Friday **from 7:00 am to 3:30 pm.**

Smoke should not enter premises unless a leak is present. This smoke is non-toxic, non-corrosive, and will not leave a stain. If smoke enters a home, it will soon dissipate. Opening doors and windows will help. Any presence of smoke within the house should be reported to the township office at 764-4646. Avoid unnecessary exposure to the smoke. The smoke is relatively harmless, but all smoke is temporary and quickly disappears after exposure has ceased.

Sewer Backup Claims

Under the Pennsylvania Governmental Immunity Statute, Manchester Township has limited legal responsibility for sewer and water backups. You should contact your homeowner's or commercial insurance agent to make sure you carry coverage for sewer and water backups under your homeowner's or commercial property policy. Some homeowner's policies do not include this coverage automatically. We recommend that you purchase this valuable coverage.

The screenshot shows the Earth911.com website. At the top, there are navigation links: "Earth911.com", "News & Lifestyle", "Recycling 101", and "Business Solutions". Below these, there are tabs for "LISTINGS", "ARTICLES", and "TOOLS". A search bar is present with the text "Find recycling centers for" and a dropdown menu showing "aluminum cans, computers, paint". To the right of the search bar, there is a "Near" field with "17400" entered and a "Search" button. Below the search bar, there is a grid of categories: Automobile, Electronics, Hazardous, Paper, Batteries, Garden, Household, Plastic, Construction, Glass, Metal, and Plastic. The main heading is "Recycling Hotline: Earth 911" with the URL "(www.Earth911.com)" below it. The text reads: "By simply typing in your zip code, this hotline helps you locate recycling centers in your community 'for all types of recyclables.'"

Plant a tree

Planting trees is one of the best and easiest ways everyone can help the environment. In addition to being beautiful, trees provide a wide range of social, community, economic, and environmental benefits. Trees:

- discourage littering by beautifying urban and community areas such as parks, streets, and schoolyards,
- assist in preventing soil erosion,
- provide a habitat for wildlife,
- increase individuals' physical and emotional well-being,
- remove dust, particulates, ozone, carbon monoxide, sulfur dioxide, and other pollutants from the air,
- conserve energy by blocking wind, snow, rain, and sunlight,
- serve as an effective buffer in screening out urban noises,
- replenish oxygen,
- help clean groundwater and prevent the transport of sediment and chemicals into waterways by trapping nutrients and chemicals.

Rent-A-Kid

This program provides an opportunity for middle and high school students, in grades 7 through 12, to assist senior citizens in completing routine light-duty household chores, yard work, mowing lawns and shoveling snow. The goal of the Rent-A-Kid program is not only to get an important job done, but also to foster friendships between senior citizens and teenagers.

Senior citizens, age 60 and older, in need of assistance with chores can call the Rent-A-Kid coordinator who will provide names and phone numbers for teenagers in their area. It is the responsibility of the senior citizen to contact the teenager and discuss the job to be done, when it is to be done, the rate of pay for the job, and any other arrangements that need to be made.

Recommended pay rate is \$5 per hour. However, depending on the type of work and the ability of the senior citizen to pay, the teenager may negotiate a more satisfactory rate of pay.

Teenagers interested in the Rent-A-Kid program should contact their school guidance counselor or call the Coordinator at YCAAA for an application at **771-9103**. Applications can also be downloaded from the website:

www.ycaaa.org

Electronics Recycling

E-cycling PROGRAM UPDATE:

An Electronics Recycling Program is being held the third Saturday of every month from **9AM to 1PM** at the **York County Solid Waste Authority's Yard Waste Transfer Facility located off of Flour Mill Road in Manchester Township**. E-cycling Accepted Items:

Items accepted include answering machines, compact disc players, electric typewriters, fax machines, hard drives, laptops, mobile phones, modems, microwave ovens, pagers, personal computers (CPU, monitors, keyboards, mouse, and peripherals), printers, printed circuit boards, radios, remote controls, stereos, tape players, telephones/telephone equipment, televisions, and VCRs.

Yard Waste Collection

In 2010, Manchester Township will provide a Yard Waste Recycling Collection on:

4th SATURDAY – OF EACH MONTH

April through October

April 24, 2010
May 22, 2010
June 26, 2010
July 24, 2010

September 25, 2010
October 23, 2010

Items will need to be placed at the curb side by 6:00 a.m.

"Yard Waste" materials are defined as tree trimmings, shrubbery and any other organic landscape vegetation, **excluding grass clippings**.

Once again, Penn Waste will be performing this service. Please visit their web site for additional information: www.pennwaste.com

Please Recycle

In addition to weekly trash removal, Manchester Township residents are reminded that in accordance with Pennsylvania Act 101, the following recyclable items are collected on the same day as the regular trash:

GLASS NEWSPRINT ALUMINUM/BIMETALS CARDBOARD PLASTICS

Reminder!!!

Do **NOT** place trash receptacles at your collection point more than 24 hours before the scheduled collection.

THIS WOULD BE A VIOLATION of section 20-105.1 of the Manchester Township Code of Ordinances. It is also a violation of section 20-210 to steal recyclable materials from recycling containers.

MS4

Municipal Separate Storm Sewer System

PLEASE DO NOT POLLUTE

10 things we can do at home:

1. Use fertilizers sparingly and sweep up driveways and gutters.
2. Never dump anything down storm drains or in streams.
3. Vegetate bare spots in your yard.
4. Compost your yard waste.
5. Use least toxic pesticides, follow labels, and learn how to prevent pest problems.
6. Direct downspouts away from paved surfaces; consider a rain garden to capture runoff.
7. Take your car to the car wash instead of washing it in the driveway.
8. Check your car for leaks and recycle your motor oil.
9. Pick up after your pet.
10. Have your septic tank pumped and system inspected regularly.

For additional information visit:

www.epa.gov/npdes

Ever wonder what you need to do to close your street and have a NEIGHBORHOOD BLOCK PARTY?

During the summer and early fall the office staff often receives calls asking this very question.

The Board of Supervisors must authorize any closures of township streets (this does not include state roadways).

Your request should be submitted in writing, in a timely fashion, to the attention of the township manager.

Please include the following in your request:

1. The date and time of the block party and whether there is a rain date
2. A drawing showing the exact location and whether there is an alternate route which can be used by motorists while the road is closed
3. The signature of all property owners adjacent to the section of the affected roadway which you would like to close indicating they have no objection.

If these easy steps are followed, the Board will most likely grant your request. Upon granting such a request, the Board directs that the township public works department can drop off barricades, which can be used to close the roadway during your block party. The township does request you keep all tables and chairs to one side, so in the event of an emergency situation an ambulance, fire truck or police car, could easily gain access to the area by using the side of the roadway where there are no obstacles.

Nuisance Ordinance

Per Ordinance #2007-01 the following are strictly prohibited and declared a nuisance:

- a) The placing of mulch, stone, dirt or building materials from private property into or onto a cartway of any street.
- b) Basketball hoops or other sports equipment within the street or road right-of-way.
- c) Detached trailers or storage units within the cartway.
- d) Dumping of any substances (oil, grass, etc.) into any storm sewer located along the streets is illegal.

Stone or brick mailboxes require a road occupancy permit before construction.

Any person who violates or fails to comply with these provisions may be fined up to \$600.00 per day.

HELP-Buffers

The **Codorus Creek Watershed Association** will cost-share (up to 100%) with landowners of small, headwater streams to plant streamside riparian buffers. Streamside vegetative buffers help streams by filtering runoff pollutants, removing nutrients from groundwater, helping shade and keeping water cool for trout, and providing valuable wildlife habitat, in-stream and out. For more information about how to enroll, please contact **CCWA** today.

Plan ahead for Building Permits

All construction, additions, placement of prebuilt structures (sheds, swimming pools, etc), paving, patios, fences, and decks require that a permit be obtained **BEFORE** any work can legally be started. This includes inflatable swimming pools over 18" if new or previously removed.

The state law that requires the township to adopt the Uniform Construction Code (UCC), better known as the "building code", allows a municipality up to 15 working days to review a permit application for residential properties and either grant or reject the permit from the time a completed application is submitted to the municipality. A completed application includes a completely filled out application form, 3 copies of a site plan of the entire lot showing all **existing and proposed** improvements on the lot (including driveways, buildings, patios, decks, and sidewalks) with all dimensions and distances to property lines and 3 copies of all documentation related to the proposed improvements. Manchester Township strives to process the permits as quickly as possible although during busy times of the year it may take the full 15 working days. **NO WORK** can be started until you have a granted permit in hand and a placard placed in a location that can be seen from the street.

Solicitors Permits

Are required in Manchester Township

Permits are issued by
Northern York County Regional Police Department
1445 E. Canal Road, Dover, PA 17315

If you **do not want** solicitors, you must post a sign at least 3"X5" with letters no less than 1/3" in height near the main entrance of your residence. Sign must read "**NO SOLICITORS**". Each residence must be posted; signs at entrance to developments are not permitted or enforced.

Ambulance Service

Manchester Township does NOT offer an ambulance membership or subscription program. In the event that you are transported to a hospital by our ambulance, your health insurance provider or Medicare will be billed for the services rendered. Additionally, the patient is responsible for any service fees not covered by insurance or medicare reimbursements.

Billing services are provided by Cornerstone Adminisystems in New Cumberland, PA. Should you have any questions regarding an ambulance bill, please contact them directly at 1-877-214-6018. This is a toll-free number.

Animal Control Ordinance

Ordinance #2009-05

On November 10, 2009 the Board of Supervisors adopted an animal control ordinance which is intended to encourage the proper safe care and management of animals within Manchester Township.

Please note that this ordinance addresses the keeping of domestic animals, as well as feral cat(s), and requires that anyone "keeping" a feral cat or cats, must see that they have been trapped, neutered and released (TNR) back into the wild.

The York County SPCA (717-764-6109) or Manchester Township's animal enforcement officer, Tim Kohler (717-384-8456), can provide assistance with feral cats.

The full text of Ordinance #2009-05 is available on the township's web page.

PLEASE BE RESPONSIBLE IN HELPING PROTECT
PUBLIC HEALTH AND SAFETY BY PARTICIPATING IN
A TNR PROGRAM TO CONTROL THE FERAL CAT
POPULATION

911 Hang Up Calls

It is important that all telephone owners be responsible for the proper use of their telephones so that police officers are not required to spend important patrol time in responding to false 911 calls. An excessive number of 911 hang up calls from a telephone will result in the assessment of fees or penalties in accordance with ordinance #2007-03. Please be responsible for the proper use of telephones.
