# Manchester Township Basketball School

## MT Summer Basketball Camp

MT Summer Basketball Camp is for children 7-12 years old. The camp is structured to teach the fundamentals of the game of basketball. Under the direction of Camp Director and York Country Day head coach Chris Charleston, players will learn the individual fundamentals through dribbling, passing, shooting, and defense. They will also learn how to use those fundamentals and apply them to game situations. Teamwork, hard work, and fun will be stressed throughout the week.

**WHEN:** Session I – July 11 – 15, 2011 (Ages 7 – 9)  
Session II – July 18 – 22, 2011 (Ages 10 – 12)

**COST:** \$50.00 (includes a camp T-shirt.)

**REGISTRATION:** Pre-registration is required by  
July 1, 2011.

## MT Skills Clinics

MT Skills Clinics aims to teach players of all ages the basic fundamentals of basketball in small group settings. By focusing on correct execution and understanding of why things are done, players are able to get a better knowledge of the game rather than just typical training.

## One-On-One Skills Clinic

In the one-on-one skills clinic, Coach Charleston will take players through a fast paced workout focusing on developing player skills with the ball in their hand. Instruction will focus on using head and ball fakes, using the correct pivot foot, and how to set-up a defensive player.

**WHEN:** Session I – June 21 – July 7  
(Tuesday & Thursday)  
Session II – July 26 – August 11  
(Tuesday & Thursday)

**TIME:** 10:30 am – 11:30 am

3200 Farmtrail Road

**COST:** \$30.00

**REGISTRATION:** Pre-registration is required by  
June 17, 2011.

## MT Shooting Skills Clinic

*"You can practice shooting eight hours a day, but if your technique is wrong, then all you become is very good at shooting the wrong way. Get the fundamentals down and the level of everything you do will rise."* - Michael Jordan.

Our shooting skills clinic will focus on teaching participants the correct fundamentals for shooting the basketball. Coach Charleston will break down each participants shooting form and build it up with a variety of proven shooting drills and technique tips that are time tested.

**WHEN:** Session I – June 21 – July 7  
(Tuesday & Thursday)  
Session II – July 26 – August 11  
(Tuesday & Thursday)

**TIME:** 11:30 am – 12:30 pm

For information about the township and events please visit our web site:

[www.mantwp.com](http://www.mantwp.com)

If you are a person with a disability and wish to attend any township meetings, please contact the office at least three (3) business days prior to discuss how your needs may best be served.

### Manchester Township now accepts:

**For all transactions  
see pg. 19**

When considering your spring clean up and/or landscaping, please remember to keep your trees, hedges and bushes trimmed to no higher than three feet (3') within the clear sight triangle of any intersection of any street to improve safety and visibility.

## **Primary Election Day MAY 17th, 2011**

If you have any questions concerning elections  
or polling places, please contact the:  
YORK COUNTY ELECTIONS OFFICE  
At 771-9604

## **Payment of Sewer Accounts**

Manchester Township does not provide for  
automatic deduction of quarterly sewer invoices  
from customer bank accounts.

However, please check with your bank, as they  
may have a bill payer service which you could  
use to automatically pay your sewer invoice.

## **Tips from the Tax Collector**

It's tax time again and I'd like to remind you to **please write a contact phone number on your check**. Unlisted phone numbers make it difficult to reach you if there is a question or problem with your check, resulting in missed rebates and late payments.

The rebate period for 2011 County/Township payments ends at midnight on April 15, 2011. The office window will be open from 9:00 a.m. to 4:30 p.m. on April 15th for last minute payments. Any payments received in the night drop box on the morning of April 16th will be considered paid at rebate. **Please do not ask me to break the law and accept payments after the deadline.**

I receive many requests for changes to the homeowner information on the tax bills. Please note, for your protection, I am not able to change the name printed on your tax notice. The name on the tax bill comes from the York County deed database. If you'd like to change your name due to marriage, etc. it must be changed at the Recorder of Deeds office. The only exception is I can remove a deceased spouse's name from the bill at the surviving spouses' request.

Please call the tax office at **767-6689** with any questions.

Jean Stambaugh, Manchester Township Tax Collector

### **Tax Collector – Window Hours**

Window hours are **Tuesday, Wednesday, Thursday, Noon – 3 pm**, except for April 15th (as noted above) and holidays.

As always, a secure night slot on the outside of the Township building is available for payments when the window is closed.

## **Nuisance Ordinance**

Per Ordinance #2007-01, don't place basketball hoops or other sporting equipment in roadway or in road right-of-way so play can occur in the street.

The following are strictly prohibited and declared a nuisance:

- a) The placing of mulch, stone, dirt or building materials from private property into or onto a cartway of any street.
- b) Basketball hoops or other sports equipment within the street or road right-of-way.
- c) Detached trailers or storage units within the cartway.
- d) Dumping of any substances (oil, grass, etc.) into any storm sewer.

Stone or brick mailboxes require a road occupancy permit before construction.

Any person who violates or fails to comply with these provisions may be fined up to \$600.00 per day.

## Street Sweeping

The Manchester Township Public Works Dept. will be performing street sweeping throughout the spring. We will try to get to all areas as expeditiously as possible.

Please be cooperative by moving all vehicles from posted streets.

## Smoke Testing Sewer Lines

**NOTICE** – Manchester Township Public Works Department periodically conducts smoke tests of the sanitary sewer lines. Testing is conducted Monday through Friday **from 7 am to 3:30 pm.**

Smoke should not enter premises unless a leak is present. This smoke is non-toxic, non-corrosive, and will not leave a stain. If smoke enters a home, it will soon dissipate. Opening doors and windows will help. Any presence of smoke within the house should be reported to the township office at 764-4646. Avoid unnecessary exposure to the smoke. The smoke is relatively harmless, but all smoke is temporary and quickly disappears after exposure has ceased.

## Reminder: Turn Your Headlights On!

Penna. Act 229 of 2002, portions of which became effective on February 21, 2003, requires motorists to turn their headlights on when driving through a posted work zone.

Additionally, Act 229 establishes penalties for a motorist convicted of exceeding the work zone speed limit by 11 miles or more per hour by having his or her license suspended for 15 days.

## Slow Down...

The spring weather will bring some added dangers while driving in residential areas. Young children are playing outdoors, walkers, bikers, runners, and other pedestrians will also be out in force. Are you driving too fast for conditions?

The Northern York County Regional Police Department receives several complaints each week in regards to vehicles exceeding the speed limit in numerous neighborhoods. Please be mindful of your speed and the inherent dangers while driving through the neighborhood.

The Board of Supervisors and police department jointly ask you to please eliminate the risks inherent with speeding vehicles by slowing down.

## VACATIONS

The NYCPRD offers a free service for all residents when they are away from their homes on vacation. The NYCPRD will conduct periodic home checks to insure that your home is secure while you are away. Please complete the form on [www.nycrpd.org](http://www.nycrpd.org) and call 911 when you return home to cancel the home check.

Relax and enjoy your vacation!

## WEST NILE

### How can you reduce the number of mosquitoes around your home and neighborhood?

Mosquitoes breed in standing water. Even a small bucket that has stagnant water in it for seven days can become home to up to 1,000 mosquitoes. Here are some easy tips to eliminate standing water:

- a. Dispose of tin cans, plastic containers, ceramic pots or similar water holding containers that have accumulated on your property. Do not overlook containers that have become overgrown by aquatic vegetation.
- b. Pay special attention to discarded tires that may have accumulated on your property.
- c. Drill holes in the bottom of recycling containers that are left out of doors. Drainage holes that are located on the container sides collect enough water for mosquitoes to breed in.
- d. Clean clogged roof gutters on an annual basis, particularly if the leaves from surrounding trees have a tendency to plug up the drains. Roof gutters are easily overlooked but can produce millions of mosquitoes each season.
- e. Turn over plastic wading pools when not in use. A wading pool becomes a mosquito producer if it is not used on a regular basis.
- f. Turn over wheelbarrows and do not allow water to stagnate in birdbaths. Both provide breeding habitat for domestic mosquitoes.
- g. Aerate ornamental pools or stock them with fish. Water gardens are fashionable but become major mosquito producers if they are allowed to stagnate. Clean and chlorinate swimming pools that are not being used. A swimming pool that is left untended by a family that goes on vacation for a month can produce enough mosquitoes to result in neighborhood-wide complaints. Be aware that mosquitoes may even breed in the water that collects on swimming pool covers.

Rabbit Transit will expand its 83S **rabbitEXPRESS** service into Towson, Maryland beginning Monday, March 14, 2011. This commuter bus service currently operates six round trips on weekdays between the York Metro area and Hunt Valley/Timonium. The newest expansion into Towson will allow riders to reach major employment areas including the Towson Town Center, Towson Commons, Black & Decker and a variety of County Office Complexes. The service will also make a connection to the Towson University Shuttle. For more details and full schedule, please visit [www.rabbittansit.org/express](http://www.rabbittansit.org/express).

### **Active Adult Activities**

**Northeastern Senior Center** serves the senior residents of a number of municipalities, including Manchester Township. The Senior Center is located at **131 Center Street, Mount Wolf**.

**Northeastern Senior Center is actively seeking volunteers for various activities. Please call 266-1400 if interested.**

## Plan Ahead for Building Permits

All construction, additions, placement of prebuilt structures (sheds, swimming pools, etc), paving, patios, fences, and decks require that a permit be obtained

**BEFORE** any work can legally be started. This includes inflatable swimming pools over 18" if new or previously removed.

State law requires the township to adopt the Uniform Construction Code (UCC), better known as the "building code". The UCC allows a municipality up to 15 working days to review a permit application for residential properties and either grant or reject the permit from the time a completed application is submitted to the municipality. A completed application includes a completely filled out application form, 3 copies of a site plan for the entire lot showing all **existing and proposed** improvements on the lot (including driveways, buildings, patios, decks, and sidewalks) with all dimensions and distances to property lines and 3 copies of all documentation related to the proposed improvements. Manchester Township strives to process the permits as quickly as possible although during busy times of the year it may take the full 15 working days. **NO WORK** can be started until you have a granted permit in hand and a placard placed in a location that can be seen from the street.

### Reminder!!!

Do **NOT** place trash receptacles at your collection point more than 24 hours before the scheduled collection.

**THIS WOULD BE A VIOLATION** of section 20-105.1 of the Manchester Township Code of Ordinances. It is also a violation of section 20-210 to steal recyclable materials from recycling containers.

## Electronics Recycling...

Beginning Saturday April 16, 2011 held the third Saturday of every month from 9 am to 1 pm at the York County Solid Waste Authority's Yard Waste Transfer Facility located off of Flour Mill Road in Manchester Township.

Residents, businesses, non-profits and institutions are eligible to participate and may bring up to three of each type of electronic device. There is no fee to participate.

## Yard Waste Collection

Manchester Township will provide a Yard Waste Recycling Collection on:

### 4th SATURDAY – OF EACH MONTH

April 23, 2011

May 28, 2011

June 25, 2011

July 23, 2011

August 27, 2011

September 24, 2011

October 22, 2011

Items will need to be placed at the curb side by 6 am.

**"Yard Waste"** materials are defined as tree trimmings, shrubbery and any other organic landscape vegetation, **excluding grass clippings.**

Once again, Penn Waste will be performing this service. Please visit their web site for additional information: [www.pennwaste.com](http://www.pennwaste.com)

### What do I do with Stumps larger than 12 inches in Diameter?

Modern Landfill in Windsor and Lower Windsor Townships and H&H in Spring Grove accept stumps larger than 12 inches in diameter. Call for more info:

**Modern Landfill:**

717-246-2686

**H&H:** 717-225-4669

## Please Recycle

In addition to weekly trash removal, Manchester Township residents are reminded that in accordance with Pennsylvania Act 101, the following recyclable items are collected on the same day as the regular trash:

GLASS • NEWSPRINT • ALUMINUM/BIMETALS • CARDBOARD • PLASTICS

## **MS4**

### **Municipal Separate Storm Sewer System** **PLEASE DO NOT POLLUTE**

#### **10 things we can do at home:**

1. Use fertilizers sparingly and sweep up driveways and gutters.
2. Never dump anything down storm drains or in streams.
3. Vegetate bare spots in your yard.
4. Compost your yard waste.
5. Use least toxic pesticides, follow labels, and learn how to prevent pest problems.
6. Direct downspouts away from paved surfaces; consider a rain garden to capture runoff.
7. Take your car to the car wash instead of washing it in the driveway.
8. Check your car for leaks and recycle your motor oil.
9. Pick up after your pet.
10. Have your septic tank pumped and system inspected regularly.

**For additional information visit: [www.epa.gov/npdes](http://www.epa.gov/npdes)**

## **Solicitors Permits**

*Are required in  
Manchester Township*

Permits are issued by  
Northern York County Regional  
Police Department  
1445 E. Canal Road  
Dover, PA 17315

If you **do not** want solicitors, you must post a sign at least 3"X5" with letters no less than 1/3" in height near the main entrance of your residence. Sign must read "**NO SOLICITORS**". Each residence must be posted; signs at entrance to developments are not permitted or enforced.

## **Ever wonder what you need to do to close your street and have a NEIGHBORHOOD BLOCK PARTY?**

During the summer and early fall the office staff often receives calls asking this very question.

The Board of Supervisors must authorize any closures of township streets (this does not include state roadways).

Your request should be submitted in writing, in a timely fashion, to the attention of the township manager.

Please include the following in your request:

1. The date and time of the block party and whether there is a rain date
2. A drawing showing the exact location and whether there is an alternate route which can be used by motorists while the road is closed
3. The signature of all property owners adjacent to the section of the affected roadway which you would like to close indicating they have no objection.

If these easy steps are followed, the Board will most likely grant your request. Upon granting such a request, the Board directs that the township public works department drop off barricades, which can be used to close the roadway during your block party. The township does request you keep all tables and chairs to one side, so in the event of an emergency situation an ambulance, fire truck or police car, could easily gain access to the area by using the side of the roadway where there are no obstacles.

## ***911 Hang Up Calls***

It is important that all telephone owners be responsible for the proper use of their telephones so that police officers are not required to spend important patrol time in responding to false 911 calls. An excessive number of 911 hang up calls from a telephone will result in the assessment of fees or penalties in accordance with ordinance #2007-03. Please be responsible for the proper use of telephones.

## **Privacy Information: Privacy of Health Information / HIPAA Disclosures in Emergency Situations**

**Question:** May an emergency official make disclosures to public officials who are responding to any man-made or natural emergency?

**Response:** Yes. Various agencies and public officials will need protected health information to deal effectively with a man-made or natural emergency. To facilitate the communications that are essential to a quick and effective response to such events, HIPAA permits covered entities to disclose needed information to public officials in a variety of ways. Covered entities may disclose protected health information, without the individual's authorization, to a public health authority acting as authorized by law in response to a man-made or natural emergency see 45 CFR 164.512(b), (see 45 CFR 164.512(j), (see 45 CFR 164.512(f)); 45 CFR 164.512(k)(2)); or judicial and administrative proceedings (see 45 CFR 164.512(e)).
