## 2nd Annual Manchester Township Rec Sports

# BOYS & GIRLS BASKETBALL CAMP

Manchester Township Rec Sports and Camp Director, Rich Mills, would like to invite children grades K–7 to attend the second annual Manchester Township Rec Sports Basketball Camp. Coach Mills has over 30 years of basketball coaching and basketball camp directing at the high school, collegiate and professional ranks. With all of his experience he still focuses on most important aspect of basketball, FUN! In the FUNdamentals camp, grades 3–7, players will be taught the basics of passing, dribbling, shooting, defense, rebounding and playing as a team. We will also be offering a Starter Hoops Program for children in grades K–2. This camp is designed to help children understand the game while still teaching the FUNdamentals.

*"My staff and I will dedicate ourselves to seeing that your child has a great deal of fun in a secure learning environment. The emphasis will be on fun and the fundamentals of basketball. Don't miss out!"*

## Monday thru Friday — 11:00 am – 1:00 pm

The Home Delivered Meals Program is designed to provide a well-balanced daily meal to homebound older adults who are unable to prepare adequate meals for themselves and have no other means for assuring healthful nutrition.

On Monday, Wednesday and Friday, a hot meal is delivered to the older adult's home. Tuesday and Thursday meals are a cold bag lunch delivered with the previous day's hot meal.

Volunteers from the local senior center deliver the meals to the older adult's home. The Northeastern Senior Center is seeking volunteers for home delivered meals, please call **717-266-1400** if interested. Although this is a brief contact it does provide a check on the well being of the homebound individual. The home delivered meal service is not a cost shared service.

Monetary donations can be made to the York County Area Agency on Aging.

Care managers need to complete an in-home assessment to determine eligibility for Home Delivered Meals.

### Eligibility for Home Delivered Meals

To be eligible for Home Delivered Meals services an individual must be:

- A York County resident in a non-institutional setting.
- 60 years of age or older.
- Have a physical, mental or emotional disability, which prohibits the individual from leaving his/her residence on a regular basis and/or prevents them from preparing a nutritious meal.
- Living alone or with someone who also meets the above criteria.

## ACTIVE ADULT ACTIVITIES

Call 717-266-1400 for information.

**Northeastern Senior Center** serves the senior residents of a number of municipalities, including Manchester Township. The Senior Center is located at **131 Center Street, Mount Wolf.**

**Northeastern Senior Center is actively seeking volunteers for various activities. Please call 717-266-1400 if interested.**

### Call for a Rent-A-Kid in Your Area

York County seniors interested in help with spring cleanup, mowing, yard work, electronic devices, or with other household chores are encouraged to arrange for a Rent-A-Kid.

The Rent-A-Kid program, sponsored by the York County Area Agency on Aging, is an intergenerational program that connects York County older adults and teenagers together.

For over 30 years, Kids have been helping and learning from older adults through the Rent-A-Kid program. It gives individual teenagers the chance to help York County senior citizens, 60 years or older, with indoor and outdoor household chores. The senior needs to be agreeable to a reimbursement of a minimum of \$5/hour, or a negotiated rate based on the job.

Interested York County residents age 60 or older can get assistance by calling Hope Eberly at 717-771-9103 or 1-800-632-9073. Information is also available at [www.ycaaa.org](http://www.ycaaa.org).

# TIPS FROM YOUR TAX COLLECTOR

It is tax time again and I would like to remind you to **please write a contact phone number on your check**. Unlisted phone numbers make it difficult to reach you if there is a question or problem with your check, resulting in missed rebates and late payments.

The rebate period for 2019 County/Township payments ends at midnight on April 15, 2019. The office window will be open from 9:00 am to 4:30 pm on Monday, April 15th for last minute payments. Any payments received in the night drop box on the morning of April 16th will be considered paid at rebate. **Please do not ask me to break the law and accept payments after the deadline.**

I receive many requests for changes to the homeowner information on the tax bills. Please note, for your protection, I am not able to change the name printed on your tax notice. The name on the tax bill comes from the York County deed database. If you would like to change your name due to marriage, etc. it must be changed at the Recorder of Deeds office. The only exception is I can remove a deceased spouse's name from the bill at the surviving spouse's request.

Please call the tax office at **717-767-6689** with any questions.

Jean Stambaugh  
Manchester Township Tax Collector

## Tax Collector Window Hours

**Tuesday – Wednesday – Thursday**  
**12:00 – 3:00 pm**

except for April 15th (9:00 am – 4:30 pm) and holidays.

As always, a secure night slot on the **outside** of the township building is available for payments when the window is closed.

## RECYCLE

Please place all of your trash and recyclables at the curb by 6:00 am the day of your scheduled collection.

## REMINDER!

Do **NOT** place trash receptacles at your collection point **more than 24 hours before** the scheduled collection.

This would be a violation of Section 20-105.1 of the Manchester Township Code of Ordinances.

It is also a violation of Section 20-210 to steal recyclable materials from recycling containers.

## ELECTRONICS RECYCLING

**Monday – Friday 8am – 4pm**  
**Saturday 8am – Noon**

at the  
York County Solid Waste Authority's  
Recycling Drop-off Facility  
2651 Blackbridge Road  
York, PA

# VACATIONS

The NYCRPD offers a free service for all residents when they are away from their homes on vacation. The NYCRPD will conduct periodic home checks to insure that your home is secure while you are away. Please complete the form on [www.nycrpd.org](http://www.nycrpd.org) and call 911 when you return home to cancel the home check.

**Relax and enjoy your vacation!**

## VANDALISM COSTS YOU...

Whenever there is a theft or disfigurement of road signs and other Township property, this vandalism costs tax dollars to replace and repair – dollars that could be spent elsewhere.

If you witness abuse or public property, please dial 911 to report it. If you have information after the fact, please report it to the Township office at 717-764-4646 or to the Northern York County Regional Police Department at 717-292-3647.

## 911 HANG UP CALLS

**Ordinance #2007-03**

It is important that all telephone owners be responsible for the proper use of their telephones so that police officers are not required to spend important patrol time in responding to false 911 calls.

An excessive number of 911 hang up calls from a telephone will result in the assessment of fees or penalties in accordance with ordinance #2007-03.

Please be responsible for the proper use of telephones.

## Slow Down...

The spring weather will bring some added dangers while driving in residential areas. Young children are playing outdoors, walkers, bikers, runners, and other pedestrians will also be out in force. Are you driving too fast for conditions?

The Northern York County Regional Police Department receives several complaints each week in regards to vehicles exceeding the speed limit in numerous neighborhoods. Please be mindful of your speed and the inherent dangers while driving through the neighborhood.

The Board of Supervisors and police department jointly ask you to please eliminate the risks inherent with speeding vehicles by slowing down.

## SOLICITORS PERMITS

***Are required in Manchester Township***

**Permits are issued by  
Northern York County  
Regional Police Department  
1445 E. Canal Road, Dover, PA  
17315**

If you **do not want solicitors**, you must post a sign at least 3" X 5" with letters no less than 1/3" in height near the main entrance of your residence. Sign must read **"NO SOLICITORS."** Each residence must be posted; signs at entrance to developments are not permitted or enforced.

# PLAN AHEAD FOR BUILDING PERMITS

All construction, additions, placement of prebuilt structures (sheds, swimming pools, etc), paving, patios, fences, and decks require that a permit be obtained **BEFORE** any work can legally be started. This includes inflatable swimming pools over 18" if new or previously removed.

State law requires the township to adopt the Uniform Construction Code (UCC), better known as the "building code". The UCC allows a municipality up to 15 working days to review a permit application for residential properties and either grant or reject the permit from the time a completed application is submitted to the municipality. A completed application includes a completely filled out application form, 3 copies of a site plan for the entire lot showing all **existing and proposed** improvements on the lot (including driveways, buildings, patios, decks, and sidewalks) with all dimensions and distances to property lines and 3 copies of all documentation related to the proposed improvements. Manchester Township strives to process the permits as quickly as possible although during busy times of the year it may take the full 15 working days. **NO WORK** can be started until you have a granted permit in hand and a placard placed in a location that can be seen from the street.

## STORM WATER MANAGEMENT REQUIREMENTS

Any building or zoning permit application that proposes any new impervious area must first satisfy the requirements of the storm water management ordinance.

**Ultimately it is the property owners' responsibility to control runoff from their property.**

This requirement is a mandate from the United States Environmental Protection Agency EPA, Pennsylvania Department of Environmental Protection DEP and the County of York. Manchester Township passed Ordinance 2012-05 in order to comply with the mandate. Failure to comply with the mandates would subject the township as a whole to penalties from either DEP and/or EPA.

**Put simply, if property owner builds or places on their lot something that covers the ground so that rainwater cannot penetrate or that will not allow grass to grow something must be done to allow the runoff to soak into the ground under a *normal* rain condition.**

Anyone applying for a Building or Zoning Permit is required to address the storm water runoff from any new impervious area to be installed or placed on any lot.

You will need to know the measurements of all structures, patios, sidewalks, swimming pools and paving, existing and proposed, on your lot in order obtain a storm water permit to meet these requirements **BEFORE** a building or zoning permit will be able to be issued.

## MS4 Municipal Separate Storm Sewer System PLEASE DO NOT POLLUTE

### 10 things you can do at home:

1. Use fertilizers sparingly and sweep up driveways and gutters.
2. Never dump anything down storm drains or in streams.
3. Vegetate bare spots in your yard.
4. Compost your yard waste.
5. Use least toxic pesticides, follow labels, and learn how to prevent pest problems.
6. Direct downspouts away from paved surfaces; consider a rain garden to capture runoff.
7. Take your car to the car wash instead of washing it in the driveway.
8. Check your car for leaks and recycle your motor oil.
9. Pick up after your pet.
10. Have your septic tank pumped and system inspected regularly.

**For additional information visit:  
[www.epa.gov/npdes](http://www.epa.gov/npdes)**

## THE DRAIN IS JUST FOR RAIN

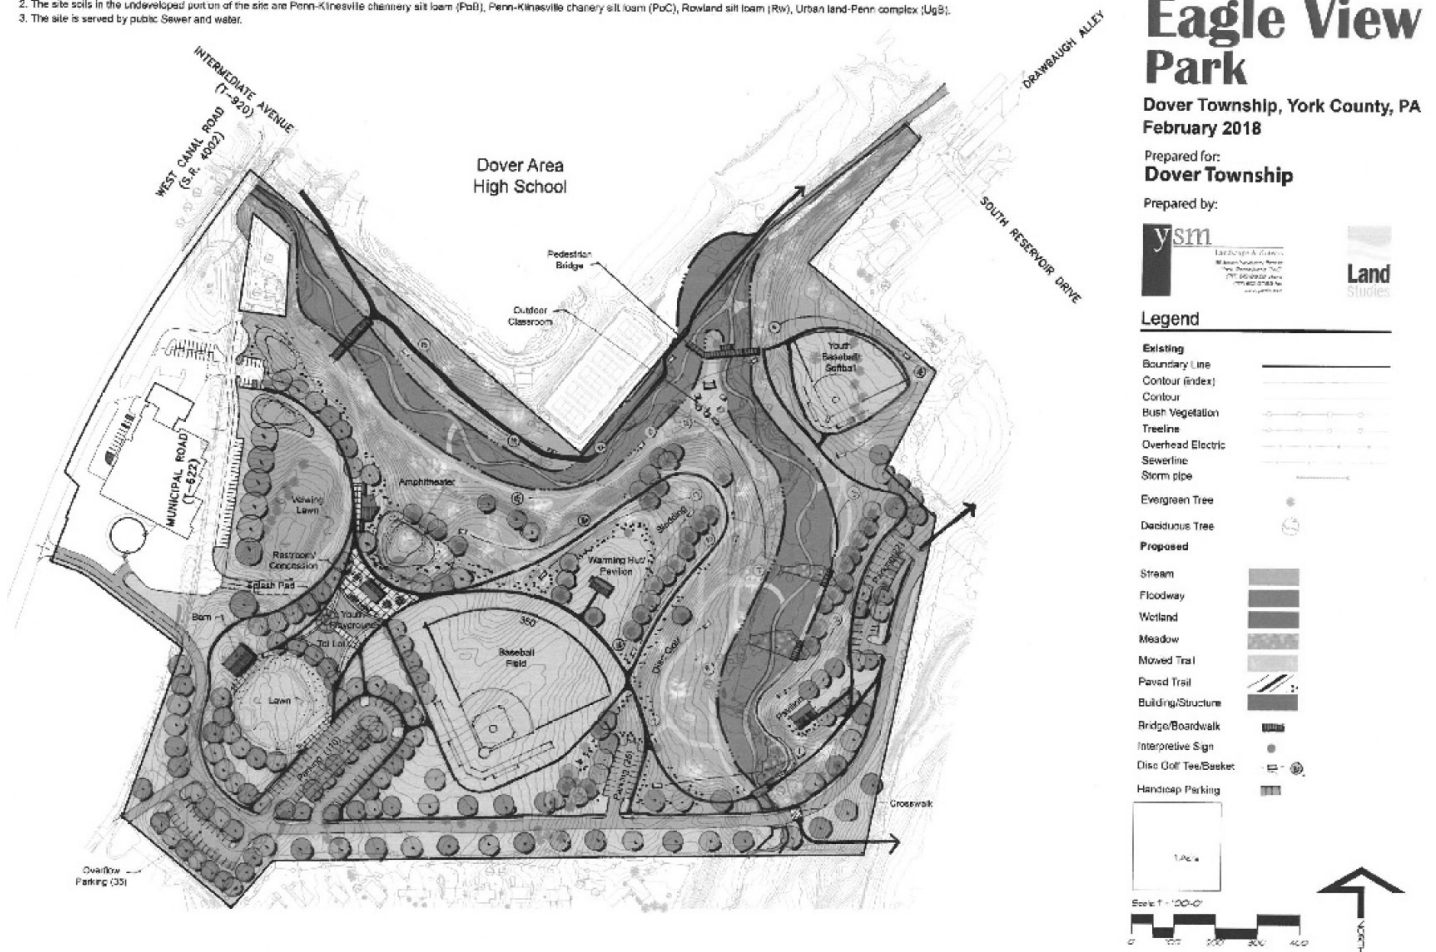

It is illegal to dump anything into the storm sewers located along the streets. Do not dump used oil, gasoline, or grass clippings into the storm sewers.

# Lets Have A Neighborhood Block Party

**HOW?** A few simple steps will allow you to close your street for some fun.

Your request should be submitted in writing, in a timely fashion, to the attention of the township manager.

Please include the following in your request:

1. The date and time of the block party & whether there is a rain date.
2. A drawing showing the exact location and whether there is an alternate route which can be used by motorists while the road is closed.
3. The signature of all property owners adjacent to the section of the affected roadway which you would like to close indicating they have no objection.

The Board of Supervisors must authorize any closures of township streets (*this does not include state roadways*)

Once these steps are followed, the Board will most likely grant your request. Upon granting such a request, the Board directs that the township public works department drop off barricades which can be used to close the roadway during your block party. The township does request you keep all tables and chairs to one side, so in the event that there would be an emergency situation an ambulance, fire truck or police car, could easily gain access to the area by using the side of the roadway where there are no obstacles.

## WEST NILE

**How can you reduce the number of mosquitoes around your home and neighborhood?**

Mosquitoes breed in standing water. Even a small bucket that has stagnant water in it for seven days can become home to up to 1,000 mosquitoes. Here are some easy tips to eliminate standing water:

- a. Dispose of tin cans, plastic containers, ceramic pots or similar water holding containers that have accumulated on your property. Do not overlook containers that have become overgrown by aquatic vegetation.
- b. Pay special attention to discarded tires that may have accumulated on your property.
- c. Drill holes in the bottom of recycling containers that are left out of doors. Drainage holes that are located on the container sides collect enough water for mosquitoes to breed in.
- d. Clean clogged roof gutters on an annual basis, particularly if the leaves from surrounding trees have a tendency to plug up the drains. Roof gutters are easily overlooked but can produce millions of mosquitoes each season.
- e. Turn over plastic wading pools when not in use. A wading pool becomes a mosquito producer if it is not used on a regular basis.
- f. Turn over wheelbarrows and do not allow water to stagnate in birdbaths. Both provide breeding habitat for domestic mosquitoes.
- g. Aerate ornamental pools or stock them with fish. Water gardens are fashionable but become major mosquito producers if they are allowed to stagnate. Clean and chlorinate swimming pools that are not being used. A swimming pool that is left untended by a family that goes on vacation for a month can produce enough mosquitoes to result in neighborhood-wide complaints. Be aware that mosquitoes may even breed in the water that collects on swimming pool covers.

## NUISANCE ORDINANCE

Per Ordinance #2007-01, don't place basketball hoops or other sporting equipment in roadway or in road right-of-way so play can occur in the street.

The following are strictly prohibited and declared a nuisance:

1. The throwing, pushing, blowing, placing or plowing of snow from private property into or onto a cartway of any street.
2. Piling snow more than 3 feet high within the clear sight triangle of any intersection of any street.
3. The placing of mulch, stone, dirt or building materials from private property into or onto a cartway of any street.
4. **Basketball hoops or other sports equipment within the street or road right-of-way.**
5. Detached trailers or storage units within the cartway.
6. Dumping of any substances (oil, grass, etc.) into any storm sewer.

Stone or brick mailboxes require a road occupancy permit before construction.

Any person who violates or fails to comply with these provisions may be fined up to \$600.00 per day.

Plants and shrubs keep growing!  
Please remember to keep your trees, hedges and bushes trimmed to no higher than three feet (3') within the clear sight triangle of any intersection of any street to improve safety and visibility.

## COMMUTER SERVICES OF PENNSYLVANIA

Commuter Services of Pennsylvania is a non-profit organization that offers *free* services to commuters about their options for getting to and from work. Our Rideshare and Emergency Ride Home programs provide necessary tools to commuters in order for them to successfully switch from driving alone to a green commuting option; such as carpooling, vanpooling, bicycling, walking or riding transit. Using a green commute mode is a great way to save money and help improve air quality. For more information visit [www.PaCommuterServices.org](http://www.PaCommuterServices.org) or call 1.866.579.RIDE.

## ANIMAL CONTROL ORDINANCE

In 2009 the Manchester Township Board of Supervisors adopted an animal control ordinance which addresses the keeping of domestic animals, as well as feral cat(s), and requires that anyone "keeping" a feral cat or cats, must see that they have been trapped, neutered and released (TNR) back into the wild.

The York County SPCA (717-764-6109) or Manchester Township's animal enforcement officer, Michelle Klugh (Klugh Animal Control) 717-916-1413 can provide assistance with feral cats.

PLEASE BE RESPONSIBLE IN HELPING PROTECT PUBLIC HEALTH AND SAFETY BY PARTICIPATING IN A TNR PROGRAM TO CONTROL THE FERAL CAT POPULATION.

## SEWER BACKUP CLAIMS

Under the Pennsylvania Governmental Immunity Statute, Manchester Township has limited legal responsibility for sewer and water backups. You should contact your homeowner's or commercial insurance agent to make sure you carry coverage for sewer and water backups under your homeowner's or commercial property policy. Some homeowner's policies do not include this coverage automatically. We recommend that you purchase this valuable coverage.

## STREET SWEEPING

The Manchester Township Public Works Dept. will be performing street sweeping throughout the spring. We will try to get to all areas as expeditiously as possible.

Please be cooperative by moving all vehicles from posted streets.

## NO PARKING ZONES What Do The Signs Mean?

Have you wondered what the double arrow signs, which are located under "No parking" symbol signs, represent? The "No Parking" symbol signs and related double arrows are posted in accordance with PennDOT sign regulations which require the use of the double arrow signs to inform motorists that parking is restricted BETWEEN the posted "No parking" symbol signs along the same side of the street on which the "No Parking" symbol signs are located. The double arrow signs DO NOT represent that parking is prohibited on both sides of the street.

## SMOKE TESTING SEWER LINES

**Monday through Friday  
7:00 am to 3:30 pm**

**NOTICE** – Manchester Township Public Works Department periodically conducts smoke tests of the sanitary sewer lines.

Smoke **should not** enter premises unless a leak is present. This smoke is non-toxic, non-corrosive, and will not leave a stain. If smoke enters a home, it will soon dissipate. Opening doors and windows will help. Any presence of smoke within the house should be reported to the township office at **717-764-4646**. Avoid unnecessary exposure to the smoke. The smoke is relatively harmless, but all smoke is temporary and quickly disappears after exposure has ceased.
