## 2008 Summer Library Hours

@Sinking Springs Elementary School  
Library Media Center

Sponsored by

Manchester Township  
& Sinking Springs PTO

on the following Wednesdays:

June 25<sup>th</sup>, July 2<sup>nd</sup>, July 9<sup>th</sup>,  
July 16<sup>th</sup>, July 23<sup>rd</sup>, & July 30<sup>th</sup>

From 12:00 noon until 3:00 pm

Sinking Springs Library Media Center is open during the summer to all Central York School District students as well as all other residents of Manchester Township. An adult must accompany all students visiting summer library.

# Catch the Reading Bug!

Nothing is more important to academic achievement than being a good reader. Did you know that reading just 20 minutes a day for one year will expose you to over *one million words*, and will increase spelling, grammar and writing skills? **Don't lose the reading habit over the summer!** Make reading an important part of your day. Read menus, roadside signs, game directions, weather reports, movie listings, and other everyday information. Always have a supply of good books at the ready, and, of course, visit your school and public library often!

***Remember... Reading is food and exercise for your brain!***

# Adult Programs

## Co-ed Adult Volleyball

Co-ed Adult Pick up Volleyball

**WHEN:** Tuesdays, August 26 – October 14

**TIME:** 6:30 pm – 8:30 pm

**WHERE:** Manchester Township Municipal Building

### Hours:

Monday-Friday  
8:00 a.m.-4:30 p.m.

### E-mail:

info@mantwp.com

### Board of Supervisors

Lisa Wingert  
Michele M. Schanbacher  
Lawrence V. Young  
Delmar Hauck  
Edward P. Dankanich

*Supervisors Meetings are held the **2nd Tuesday** of each month at **7:00 p.m.** at the Municipal Building*

### Township Manager/ Secretary:

David A. Raver

### Office Supervisor/ Assistant Secretary:

Debra K. McCune

### Public Works Superintendent:

Kenneth E. Goodyear

### Zoning/Planning Officer:

Stewart S. Olewiler, III

### Fire Chief:

Richard R. Shank, Jr.

## Ever wonder what you need to do to close your street and have a neighborhood block party?

During the summer and early fall the office staff often receives calls asking this very questions.

The Board of Supervisors must authorize any closures of township streets (*this does not include state roadways*)

Your request should be submitted in writing, in a timely fashion, to the attention of the township manager.

Please include the following in your request:

1. The date and time of the block party, & whether there is a rain date
2. A drawing showing the exact location and whether there is an alternate route which can be used by motorists while the road is closed.
3. The signature of all property owners adjacent to the section of the affected roadway which you would like to close indicating they have no objection.

If these easy steps are followed, the Board will most likely grant your request. Upon granting such a request, the Board directs that the township public works department drop of barricades which can be used to close the roadway during your block party. The township does request you keep all tables and chairs to one side, so in the event that there would be an emergency situation an ambulance, fire truck or police car, could easily gain access to the area by using the side of the roadway where there are no obstacles.

## Office Closed:

INDEPENDENCE DAY  
July 4, 2008

LABOR DAY  
September 1, 2008

GENERAL ELECTION DAY  
November 4, 2008

PA  
ONE  
CALL

**811**

Call three (3) working  
days before you dig.

For information about the township and events –  
Please visit our web site:

[www.mantwp.com](http://www.mantwp.com)

Manchester Township  
now accepts:

For all transactions  
see pg. 11

If you are a person with a disability and wish to attend any township meetings, please contact the office at least three (3) business days prior to discuss how your needs may best be served.

Please remember to keep your trees, hedges and bushes trimmed to no higher than three feet (3') at street intersections to improve safety and visibility.

## Tips from the Tax Collector

School real estate bills for the '08-'09 tax cycle will be mailed on July 15th. These bills are for the period July 1st, 2008 thru June 30th, 2009. If you do not receive your bill, please contact the tax office.

New this year is a state-funded tax reduction for all farmstead / homestead approved properties. Each approved parcel will receive a \$113.47 reduction to the total tax due.

Once again, Central York School District will be offering a three-installment payment plan. To participate, you must pay the first installment by August 15th, 2008. **Please note:** The three installments add up to the FACE amount of the bill – meaning you forfeit the 2% discount. To get the discount, the full rebate amount must be paid by September 15th, 2008. Please remember to include both halves of your bill if you need a receipt for tax or rebate purposes.

Please call the tax office at 767-6689 with any questions.

Jean Stambaugh  
Manchester Township Tax Collector

### Tax Collector – Summer Hours

#### July – Window Closed

Hours by Appointment Only

#### August – Tuesday & Thursday

9:30 am -11:30 am

additional hours by Appointment

As Always, a night slot on the outside of the Township building is available for payments when the window is closed.

Regular window hours resume September 1st.

## Note from the Board Chairperson

I would like to take this opportunity to introduce myself. Due to the death of John D'Ottvio, past chairperson of the Board of Supervisors, I was appointed by my colleagues as the new chairperson in February. I previously held the vice-chair position for six years. It is an honor and privilege to serve the residents of the township.

First elected in 1997, I took the oath of office in January 1998 and again re-elected to the board of supervisors in 2003. I also held the position of Recreation Director from 1992-1995 in this township.

Periodically, I will try my best to correspond important legislation or information which could effect the residents of Manchester Township. That brings me to the other reason for this letter.

All residents who have public sewer will most definitely be affected in the near future with an increase in their bill. The board of supervisors in January approved a rate study for all sewer districts in the township. Some of the districts have not seen an increase since 1992. Manchester Township does not have its own sewer treatment facility but utilizes Dover's, Springettsberry's and York City's plants.

However, all treatment facilities must meet mandates imposed on them by Federal and State governments by 2010. These mandates are going to cost millions for municipalities to upgrade their plants. Therefore, the cost will be shared by the customers perhaps raising sewer bills by double or triple the current rate.

Unlike surrounding states, the Pennsylvania state government has not responded to these mandates by providing necessary funding sources. It is vital that funding be granted by the state to adequately meet the mandates. Please call Senator Waugh, Representative Keith Gillispie and Governor Rendall asking them for the state government to do its fair share by providing funds to clean up PA Fair Share for Clean Water.

## Please Recycle

In addition to weekly trash removal, Manchester Township residents are reminded that in accordance with Pennsylvania Act 101, the following recyclable items are collected on the same day as the regular trash:

GLASS NEWSPRINT ALUMINUM/BIMETALS CARDBOARD PLASTICS

# Martin Library

## Satelite – Reminder

That books may be dropped off for return to Martin Library, or ordered from Martin Library to be picked up Monday thru Friday between 8 am – 4 pm at the

MANCHESTER TOWNSHIP OFFICE

3200 Farmtrail Road

## Welcome aboard – Appointments to Boards/Commissions

**Vanessa Rutter-Garcia** – was appointed to fill the vacancy on the Manchester Township Recreation Commission.

**Clint Roberts** – was appointed to fill the vacancy as an alternate Zoning Hearing Board member.

## MS4

Municipal Separate Storm Sewer System

PLEASE DO NOT POLLUTE

FOR ADDITIONAL INFORMATION, VISIT:  
[www.epa.gov/npdes](http://www.epa.gov/npdes)

### 10 things we can do at home

1. Use fertilizers sparingly and sweep up driveways, sidewalks, and gutters
2. Never dump anything down storm drains or in streams
3. Vegetate bare spots in your yard
4. Compost your yard waste
5. Use least toxic pesticides, follow labels, and learn how to prevent pest problems
6. Direct downspouts away from paved surfaces; consider a rain garden to capture runoff
7. Take your car to the car wash instead of washing it in the driveway
8. Check your car for leaks and recycle your motor oil
9. Pick up after your pet
10. Have your septic tank pumped and system inspected regularly

## Smoke Testing Sewer Lines

**NOTICE** – Manchester Township Public Works Department periodically conducts smoke tests of the sanitary sewer lines. Testing is conducted Monday through Friday from 7:00 a.m. to 3:30 p.m.

Smoke should not enter premises unless a leak is present. This smoke is non-toxic, non-corrosive, and will not leave a stain. If smoke enters a home, it will soon dissipate. Opening doors and windows will help. Any presence of smoke within the house should be reported to the township office at 764-4646. Avoid unnecessary exposure to the smoke. The smoke is relatively harmless, but all smoke is temporary and quickly disappears after exposure has ceased.

## Correction

**Craig L. Wisherd**, resigned as Emergency Management Coordinator after 5 years of service because the revised Pennsylvania Municipalities Planning Code prohibits Zoning Hearing Board members to hold any other elected or appointed office. April issue erroneously stated that the Emergency Management Coordinator may not hold any other position.

## Reminder!!!

Do NOT place trash receptacles at your collection point more than 24 hours before the scheduled collection.

THIS WOULD BE A VIOLATION of Section 20-105.1 of the Manchester Township Code of Ordinances

## What is an Inlet Badge?

If you see this metal badge attached to a storm water inlet, it is a reminder that the water that enters this inlet has been identified as being tributary to the Chesapeake Bay.

## Sewer Backup Claims

Under the Pennsylvania Governmental Immunity Statue, Manchester Township has limited legal responsibility for sewer and water backups. You should contact your homeowners or commercial insurance agent to make sure your carry coverage for sewer and water backups under your homeowners or commercial property policy. Some homeowners policies do not include this coverage automatically. We recommend that you purchase this valulable coverage.

## Sewer Rate Study

The board of supervisors has directed the staff and engineer to prepare a comprehensive sewer customer rate study in 2008 because of the anticipated cost increases that Manchester Township will experience beginning in 2009 as the result of wastewater treatment plant upgrades that are required by the federal EPA to improve the water quality of the Chesapeake Bay. Manchester Township purchases sewer treatment services from York City, Springettsbury and Dover Townships. The current sewer customer rates were established in 1990.

## Dumping Is Illegal . . .

Since 1990, the PA CleanWays network has performed over 700 illegal dump cleanups.

If you lay every tire flat on the ground that PA CleanWays has collected, they would span from Pittsburgh to Erie and 40 miles out into Lake Erie!

PA CleanWays and its chapters and affiliates have removed over 9,700 tons of trash and recycled 2,100 tons of scrap metal from Pennsylvania's hillsides, local roads, and streams. PA CleanWays has also collected or removed 337,030 tires and 23,996 appliances. More than 353 segments of local roads, parks/pathways, and waterways have been adopted through the PA CleanWays adoption program. PA CleanWays has organized and planted more than 22,000 trees on public lands through its beautification program. In total, more than 42,000 volunteers have dedicated nearly 177,000 volunteer hours to PA CleanWays programming.

For more info please visit the following website: [www.pacleanways.org](http://www.pacleanways.org)

## Household Hazardous Waste Collection Program

**Saturday, October 4, 2008**

9AM to 1PM

York County Solid Waste Authority Management Center  
Parking Lot

2700 Blackbridge Road

Manchester Township, PA

For more information go to: [www.ycswa.org](http://www.ycswa.org)

## Yard Waste Collection

Manchester Township will provide a Yard Waste Recycling  
Collection on:

**4TH SATURDAY – OF EACH MONTH**

**July 26, 2008**

**August 23, 2008**

**September 27, 2008**

**October 25, 2008**

Items will need to placed at curb side by 6:00 am

“**Yard Waste**” materials are defined as tree trimmings, shrubbery and any other organic landscape vegetation., excluding grass clippings.

Once again, Penn Waste will be performing this service. Please visit their web site for additional information:

## **Contacting The Fire Department**

### **EMERGENCY – 911**

For business related information or for Chief Richard Shank, or paid personnel at the 24 hour manned station at 3200 Farmtrail Road:

**767-1954**

For the Trustees or other business, call the volunteer station at 3118 North George Street in Emigsville:

**764-1148**

## **Hall Rental**

The Emigsville station is available to be rented for personal parties and/or business functions.

The proceeds from the rentals are used to offset the expenses of the operation of the station.

For Hall Rental call: **324-1583**

## **Fire Department News**

During the months of April and May, Manchester Township Department of Fire Services in a joint effort with York Area United Fire and Rescue conducted physical agility and verbal interviews to establish a new eligibility list from which firefighters will be hired from both departments when filling any newly created or vacant positions.

## EAGLES VIEW PARK

The newly adopted EAGLES VIEW PARK is an 11.62 ACRE park located at 2399 Friesian Road, contiguous to the Eagles View Development

The Manchester Township Recreation Commission will be developing a master plan for Eagles View Park. A master plan is a blueprint for developing a park.

As a part of the process in developing the master plan, public meetings will be conducted at which time residents will have an opportunity to contribute their ideas and voice their opinions.

Meeting agendas are posted on the township website. [www.mantwp.com](http://www.mantwp.com)
