# Home Delivered Meals

**Monday – Friday / 11:00 am - 1:00 pm**

The Home Delivered Meals Program is designed to provide a well-balanced daily meal to homebound older adults who are unable to prepare adequate meals for themselves and have no other means for assuring healthful nutrition.

On Monday, Wednesday and Friday, a hot meal is delivered to the older adult's home. Tuesday and Thursday meals are a cold bag lunch delivered with the previous day's hot meal.

Volunteers from the local senior center deliver the meals to the older adult's home. The Northeastern Senior Center is seeking volunteers for home delivered meals, please call **717-266-1400** if interested.

Although this is a brief contact it does provide a check on the well being of the homebound individual. The home delivered meal service is not a cost shared service.

Monetary donations can be made to the York County Area Agency on Aging.

Care managers need to complete an in-home assessment to determine eligibility for Home Delivered Meals.

## Eligibility For Home Delivered Meals

To be eligible for Home Delivered Meals services an individual must be:

- **A York County resident in a non-institutional setting.**
- **60 years of age or older.**
- **Have a physical, mental or emotional disability, which prohibits the individual from leaving his/her residence on a regular basis and/or prevents them from preparing a nutritious meal.**
- **Living alone or with someone who also meets the above criteria**

## Rent-A-Kid Program

### Call for a Rent-A-Kid in Your Area

York County seniors interested in help with spring cleanup, mowing, yard work, electronic devices, or with other household chores are encouraged to arrange for a Rent-A-Kid.

The Rent-A-Kid program, sponsored by the York County Area Agency on Aging, is an intergenerational program that connects York County older adults and teenagers together.

For over 30 years, Kids have been helping and learning from older adults through the Rent-A-Kid program. It gives individual teenagers the chance to help York County senior citizens, 60 years or older, with indoor and outdoor household chores. The senior needs to be agreeable to a reimbursement of a minimum of \$5/hour, or a negotiated rate based on the job.

Interested York County residents age 60 or older can get assistance by calling Hope Eberly at **717-771-9103** or **1-800-632-9073**.

Information is also available at [www.ycaaaa.org](http://www.ycaaaa.org).

## Health Insurance Assistance

APPRISE is the State Health Insurance Assistance Program which provides counseling for people with Medicare in Pennsylvania. It was created by the Pennsylvania Department of Aging to help Pennsylvanians understand Medicare and their other health insurance benefits. **Locally, this program is offered by the York County Area Agency on Aging.**

APPRISE counselors are specially-trained volunteers who have direct access to state and federal Medicare resources. They are able to answer questions about Medicare, Medicaid, Medigap, Medicare Advantage plans and the prescription drug program. They can help you to:

- Understand your Medicare benefits by explaining which services are covered under Part A and B and your Medicare Summary Notice.
- Make informed choices about Medicare coverage options, including Medicare appeals process and assist

with appeals paperwork.

- Select a Medigap insurance policy.
- Explain financial assistance programs that may be available to assist in paying for your Medicare premiums, deductibles and coinsurance, as well as your prescription drug needs.
- Explain the Medicare prescription drug benefit.
- Make presentations on Medicare to your organization.

**To ensure the safety of our clients and counselors, the York APPRISE Program is currently conducting appointments over the phone or computer. To schedule an appointment for one-on-one counseling call the APPRISE Help Desk at 717-771-9008 or 1-800-632-9073.**

### Reminder For Manchester Township Parks

As contained in Chapter 16, Part I of the Codified Ordinances of Manchester Township:

Smoking including but not limited to cigarettes, cigars, illegal drugs, and vaping is prohibited in/on all Manchester Township park facilities at any time.

### Motorized Vehicles At Township Parks

#### Please Observe Park Rule #12 When Using All Township Parks

The use of motorized vehicles, except on areas designated as driveways or for parking during the time when recreational facilities are open to the public and for Manchester Township maintenance vehicles, within Manchester Township recreational facilities, is **PROHIBITED**. The term "motorized vehicles" shall include, but not be limited to, licensed motor vehicles as defined by the Pennsylvania Motor Vehicle Code, trail bikes or dirt bikes, all-terrain vehicles (three or four wheeled,) snowmobiles, golf carts and hoverboards.

### York County Parks — Canine Meadows: Off-Leash Dog Area

## Tips from your Tax Collector

Financial scams and identity theft are on the rise and the reliability of the US Mail service is not what it used to be! Below are some simple steps we can all take to protect our financial integrity.

- Never give out personal information to strangers in response to texts, emails or phone calls. Always verify the inquiry is genuine by calling the person or institution directly before providing protected information.
- Review your financial statements at least monthly and immediately contact your institution if you see unauthorized usage or something seems amiss. It is also prudent to monitor your credit reports annually by visiting [annualcreditreport.com](http://annualcreditreport.com) or calling 877-322-8228 for free reports.
- Make sure outbound mail is put in a secure USPO mailbox. Scammers can easily target mailboxes with the flag "up" to gain access credit card

and bank account information.

Additional information is available from the PA Department of Banking and Securities ([dobs.pa.gov](http://dobs.pa.gov)) and the PA Attorney General's office ([attorneygeneral.gov](http://attorneygeneral.gov))

As always, the tax office is available to answer questions and provide receipts as you prepare your income taxes.

Please call the tax office at **717-767-6689** with any questions.

**Jean Stambaugh / Manchester Township Tax Collector**

### Tax Collector - Window hours

Window hours are Tuesday, Wednesday, Thursday  
12:00-3:00 pm, except for holidays.

As always, a secure night slot on the outside of the township building is available for payments when the window is closed.

### Solicitor's Permits

Solicitor's permits are required in Manchester Township.

Permits are issued by Northern York County Regional Police Department

1445 E. Canal Road, Dover, PA 17315

If you **do not want** solicitors, you must post a sign at least 3"x5" with letters no less than 1/3" in height near the main entrance of your residence. Sign must read "**NO SOLICITORS**". Each residence must be posted; signs at entrance to developments are not permitted or enforced.

# Storm Water Management Requirements

Any building or zoning permit application that proposes any new impervious area must first satisfy the requirements of the storm water management ordinance.

**Ultimately it is the property owners' responsibility to control runoff from their property.**

This requirement is a mandate from the United States Environmental Protection Agency EPA, Pennsylvania Department of Environmental Protection DEP and the County of York. Manchester Township passed Ordinance 2022-06 in order to comply with the mandate. Failure to comply with the mandates would subject the township as a whole to penalties from either DEP and/or EPA.

**Put simply, if property owner builds or places on their lot something that covers the ground so that rainwater cannot penetrate or that will not allow grass to grow something must be done to allow**

**the runoff to soak into the ground under a *normal* rain condition.**

Anyone applying for a Building or Zoning Permit is required to address the storm water runoff from any new impervious area to be installed or placed on any lot.

You will need to know the measurements of all structures, patios, sidewalks, swimming pools and paving, existing and proposed, on your lot in order obtain a storm water permit to meet these requirements **BEFORE** a building or zoning permit will be able to be issued.

## Leaves Don't Belong In The Stormdrain

When it rains, it drains! Clean up leaves from the stormdrain at home, work or play.

For more information about what you can do to help keep clean water and save the Chesapeake Bay, contact the Watershed Alliance of York, Inc. [watershedallianceofyork.org](http://watershedallianceofyork.org)

## The Drain Is Just For The Rain

It is illegal to dump anything into the storm sewers located along the streets. Do not dump used oil, gasoline, or grass clippings into the storm sewers.

## Tree Trimming Ordinance #2014-01

Property owners are required to maintain clearance of trees and similar vegetation from the street cartway (curb to curb) to a height above the cartway of fourteen feet (14'). Upon notification of a violation, the property owner shall have **30 days** to correct the violation prior to being subject to penalties. Ordinance #2014-01 is available for review on the township web site [mantwp.com](http://mantwp.com).

## 3 Foot Hedges

When considering your clean up and/or landscaping, please remember to keep your trees, hedges and bushes trimmed to no higher than three feet (3') within the clear sight triangle of any intersection of any street to improve safety and visibility.

---

## MS4 / Municipal Separate Storm Sewer System

**PLEASE DO NOT POLLUTE. Here are 10 things you can do at home:**

1. Use fertilizers sparingly and sweep up driveways and gutters.
2. Never dump anything down storm drains or in streams.
3. Vegetate bare spots in your yard.
4. Compost your yard waste.
5. Use least toxic pesticides, follow labels, and learn how to prevent pest problems.
6. Direct downspouts away from paved surfaces; consider a rain garden to capture runoff.
7. Take your car to the car wash instead of washing it in the driveway.
8. Check your car for leaks and recycle your motor oil.
9. Pick up after your pet.
10. Have your septic tank pumped and system inspected regularly.

## Snow Removal

Snow removal presents a challenge to Manchester Township. During an active snowstorm the public works department will attempt to keep open the major routes (arterial and collector) streets of Manchester Township to facilitate the movement of emergency vehicles. As a storm subsides the snowplows will methodically plow each and every public street in Manchester Township. Residents can assist the public works department by moving, where possible, vehicles off of the streets during and after the storm event.

According to the Pennsylvania Second Class Township Code, responsibility for the maintenance of sidewalks rests with the adjoining property owner. Therefore, remember to be a good neighbor and remove snow from sidewalks to keep them safe for pedestrians.

**The Township is NOT RESPONSIBLE for damage to mailboxes since they are located in the right-of-way.**

Manchester Township **DOES NOT** provide snow and ice removal on any state roadways.

### Helpful Hints

1. When shoveling out the mouth of your driveway, deposit snow to the right or "downstream." This will help to avoid the re-depositing of the snow in your driveway when the plow comes to your street. Remember it is impossible to not have snow pushed into your driveway. Please do not throw the snow from your property into the street.
2. Please allow yourself some additional time to travel.
3. Use common sense and "Be Patient."
4. Keep a flashlight, a battery powered radio and emergency equipment available in case of a disruption in power.

## Fire Hydrants

Clearing snow away from fire hydrants is a very important responsibility.

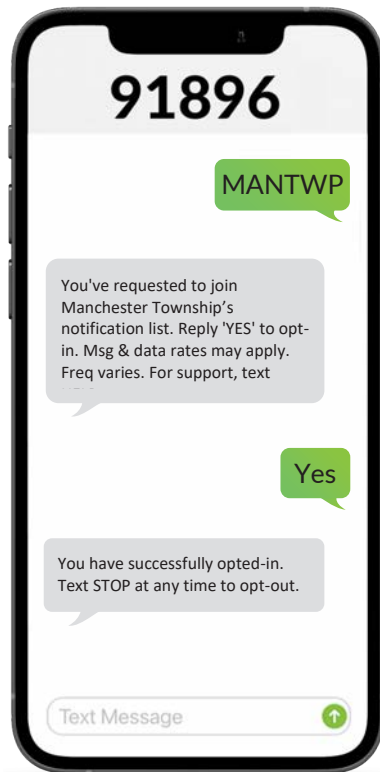

The fire department asks residents to clear a **36-inch path around hydrants** to allow for access.

If you join together with your neighbors, it only takes a few minutes to ensure the fire hydrants are clear of snow. Please take the few extra minutes needed to protect your home and family.

### Recycle

Please place all of your trash and recyclables at the curb by **6:00 am** the day of your scheduled collection.

### Reminder

Do **NOT** place trash receptacles at your collection point more than **24 hours before** the scheduled collection.

This would be a violation of Section 20-105.1 of the Manchester Township Code of Ordinances.

It is also a violation of Section 20-210 to steal recyclable materials from recycling containers.

### Vandalism Costs You...

Whenever there is a theft or disfigurement of road signs and other Township property, this vandalism costs tax dollars to replace and repair - dollars that could be spent elsewhere.

If you witness abuse or public property, please dial 911 to report it. If you have information after the fact, please report it to the Township office at 717-764-4646 or to the Northern York County Regional Police Department at 717-292-3647.

### Lost & Found

A lost & found is located at the township office. If you are missing items and may have left them at one of our parks or in our gym, please check at the municipal office.

## Spotted Lanternfly

Agriculture Secretary Russell Redding shared some scary thoughts while reminding Pennsylvanians to be vigilant against the Spotted Lanternfly as the bugs begin laying eggs on flat surfaces to hatch in the spring.

“Every Spotted Lanternfly egg mass not scraped and destroyed now is up to 50 more of these invasive, destructive bugs we can expect to hatch next spring,” said Redding. “We need every Pennsylvanian to hunt for egg masses this fall and winter and destroy them – or we’re in for a scary spring.”

Spotted Lanternfly egg masses are a light gray wax-like substance that take on the appearance of mud and include 30-50 eggs. Egg masses can be found on many flat surfaces including trees, rocks, and outside objects such as picnic tables, playground equipment, grills, and sidings of homes.

Property owners can scrape egg masses whenever encountered using a hard or rigid tool such as a credit card, putty knife, or a stick. Research has not yet confirmed whether egg masses can survive if scraped onto the ground, so it is best to scrape the egg masses in a downward motion into a container or bag with rubbing alcohol or hand sanitizer.

For more information on Spotted Lanternfly, visit **[agriculture.pa.gov/spottedlanternfly](http://agriculture.pa.gov/spottedlanternfly)** or **<https://extension.psu.edu/spotted-lanternfly>**.

## Medication Take-Back Box Program

York County residents may anonymously deliver unused prescription and over-the-counter medications to secure Medication Return Boxes located in nearly all York County Police Department lobbies. There is no fee and the boxes are available year-round during lobby hours as listed, except on holidays. Residents interested in disposing of medication in a Medication Return Box location should remove their personal information from containers before disposal.

Place unused medications in your regular garbage – To minimize potential impacts to human health and the environment, take medication out of its original container and mix it with an undesirable substance, such as used coffee grounds or kitty litter. The medication will be less appealing to children and pets, and unrecognizable to people who may intentionally go through your trash. Place the mixture in a sealed bag, can or other container to prevent the medication from leaking. Before disposing of a prescription medicine container, destroy all identifying information to protect your identity and personal health information.

Free prescription medication delivery at the RRC – Make an appointment to deliver your unused prescription (no over-the-counter) medications to the RRC at no charge. Prescription medications accepted must come from a single York County household (medications collected

**York County Solid Waste Authority**  
Our Mission: Facilitate Responsible Solid Waste Management

from multiple households cannot be accepted). Residents must call 717-845-1066 to make an appointment to deliver prescription medications to the RRC and are required to complete a brief registration form. At the RRC, residents will be escorted by an Authority representative to dispose of the medications. The disposal process takes approximately 20 minutes.

For more information about the Authority's secure medication take-back box program or to find a location near you, visit the Authority's web site at: [www.ycswa.com](http://www.ycswa.com).

## Christmas Tree Recycling

## No Parking Zones / What Do The Signs Mean?

Have you wondered what the double arrow signs, which are located under “No Parking” symbol signs, represent? The “No Parking” symbol signs and related double arrows are posted in accordance with PennDOT sign regulations which require the use of the double arrow signs to inform motorists that parking is restricted BETWEEN the posted “No Parking” symbol signs along the same side of the street on which the “No Parking” symbol signs are located. The double arrow signs DO NOT represent that parking is prohibited on both sides of the street.

## Nuisance Ordinance

Per Ordinance #2007-01, don't place basketball hoops or other sporting equipment in roadway or in road right-of-way so play can occur in the street.

**The following are strictly prohibited and declared a nuisance:**

- The throwing, pushing, blowing, placing or plowing of snow from private property into or onto a cartway of any street.
- Piling snow more than 3 feet high within the clear sight triangle of any intersection of any street.
- The placing of mulch, stone, dirt or building materials from private property into or onto a cartway of any street.

- Basketball hoops or other sports equipment within the street or road right-of-way.
- Detached trailers or storage units within the cartway.
- Dumping of any substances (oil, grass, etc.) into any storm sewer.

Stone or brick mailboxes require a road occupancy permit before construction.

Any person who violates or fails to comply with these provisions may be fined up to \$600.00 per day.

## Smoke Testing Sewer Lines

**When: Monday through Friday. 7:00 am to 3:30 pm**

**NOTICE — Manchester Township Public Works Department periodically conducts smoke tests of the sanitary sewer lines.**

Smoke **should not** enter premises unless a leak is present. This smoke is non-toxic, non-corrosive, and will not leave a stain. If smoke enters a home, it will soon dissipate. Opening doors and windows will help. Any presence of smoke within the house should be reported to the township office at **717-764-4646**. Avoid unnecessary exposure to the smoke. The smoke is relatively harmless, but all smoke is temporary and quickly disappears after exposure has ceased.

## Animal Control Ordinance / #2009-05

In 2009 the Manchester Township Board of Supervisors adopted an animal control ordinance which addresses the keeping of domestic animals, as well as feral cat(s), and requires that anyone “keeping” a feral cat or cats, must see that they have been trapped, neutered and released (TNR) back into the wild.

The York County SPCA (717-764-6109) or Manchester Township’s animal enforcement officer, Michelle Klugh (Klugh Animal Control) (717-916-1413), can provide assistance with feral cats.

**Please be responsible in helping protect public health and safety by participating in a TNR program to control the feral cat population.**

## Plan Ahead For Building Permits

All construction, additions, placement of prebuilt structures (sheds, swimming pools, etc), paving, patios, fences, and decks require that a permit be obtained **BEFORE** any work can legally be started. *This includes inflatable swimming pools over 18" if new or previously removed.*

State law requires the township to adopt the Uniform Construction Code (UCC), better known as the "building code". The UCC allows a municipality up to 15 *working* days to review a permit application for residential properties and either grant or reject the permit from the time a *completed application* is submitted to the municipality. A completed application includes a completely filled out

application form, 3 copies of a site plan for the entire lot showing all **existing and proposed** improvements on the lot (including driveways, buildings, patios, decks, and sidewalks) with all dimensions and distances to property lines and 3 copies of all documentation related to the proposed improvements. Manchester Township strives to process the permits as quickly as possible although during busy times of the year it may take the full 15 working days. **NO WORK** can be started until you have a granted permit in hand and a placard placed in a location that can be seen from the street.

### Sewer Backup Claims

Under the Pennsylvania Governmental Immunity Statute, Manchester Township has limited legal responsibility for sewer and water backups. You should contact your homeowner's or commercial insurance agent to make sure you carry coverage for sewer and water backups under your homeowner's or commercial property policy. Some homeowner's policies do not include this coverage automatically. We recommend that you purchase this valuable coverage.

Project Lifesaver provides law enforcement with a program designed to protect, and when necessary, quickly locate individuals with cognitive disorders who are prone to the life threatening behavior of wandering. The necessity of this program was determined through the correlation between cognitive conditions and the act of wandering. The program has grown from a localized program to a program recognized internationally as a proven and effective method of "bringing loved ones home."

The method relies on proven radio technology and specially trained search and rescue teams. Citizens enrolled in Project Lifesaver wear a small transmitter on the wrist or ankle that emits an individualized frequency

signal. If an enrolled client goes missing, the caregiver notifies their local Project Lifesaver agency, and a trained emergency team responds to the wanderer's area. The first responders will then use the client's individualized frequency to locate the position of the individual.

The Northern York County Regional Police Department has nine officers trained in the operation of the Project Lifesaver Program. Four of these officers are School Resource Officers.

If you are a Parent, Guardian or Caregiver of an individual that is at risk of wandering away and you feel they should be enrolled in the Project Lifesaver Program please visit **[www.nycrpd.org](http://www.nycrpd.org)** and complete the information on the Project Lifesaver Page located on the right side of the home page.

If you don't believe that your loved one is a wandering risk but would like to provide the NYCPRD with information about their at risk or special circumstances, please visit **[www.nycrpd.org](http://www.nycrpd.org)** and complete the information on the At Risk Individual / Special Circumstances Page located on the right side of the home page.
